SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bridgewater Academy is the first and only Charter School in Horry County. Our structured curriculum has always been academically challenging, giving students a strong foundation in the basics and building on skills. We give each child the opportunity to learn, accepting students from a diverse population with the promise that every child will show some growth and improvement each year. Our philosophy is to instill in the students the desire to learn and excel. We do whatever we have to, as educators, to help students achieve, including adding extra school hours and days, a high-content rigorous academic program, flexibility, an emphasis on personal responsibility for the students, and accountability by teachers with no short cuts and no excuses policy. Bridgewater Academy continues to attain growth and improvement in all areas of the curriculum. Due to the numbers of students tested in certain areas of PASS, our scores cannot be calculated to show this growth. All parents attended a conference with their child's teacher, and following the California Achievement Tests, we received recognition by the SC Education Oversight Committee for significantly improving the performance of students from differing economic, racial, and ethnic groups. BWA met 100 percent of its objectives for Adequate Yearly Progress as defined by No Child Left Behind. Bridgewater Academy has a state of the art Technology Lab and Program that all students K-8 participate in. We have a TSA Club for students interested in Technology. They competed in the Science and Technology Day at South Carolina State University. There were three winners in the CO2 Dragster Car Competition and won monies totaling \$900.00. Our Drama Club put on the musical Annie this school year that was well attended. This activity gives students the opportunity for exposure in the Arts, and several of our graduates have gone on to major in Theater due to this experience. Our school participated in the Christian League for sports this year. We had a coed soccer team and girls volleyball team in the fall and boys and girls basketball teams in the winter. Although no titles were won this year, students learned the importance of team play. Several students were inducted into the National Beta Club. Students earned Service Credits by organizing and running the Shoe Box for Kids overseas at Christmas, volunteering for the Special Olympics in the spring, and the school wide recycling project that took place during the school year. One student received the Governor's Citizenship Award. BWA and Horry County have signed a five year contract enabling our school to continue serving students in Horry County with the district as our sponsor. We are privileged to have this opportunity. We thank our parents and students who have been supportive in this effort. Carol J. Merrill, Principal
